You will feel me in a thousand and one ways.

Dm F
(* In the fragrance of sweet flowers,
C G
In the twinkling light of stars,
Dm F
In the murmur of calm rivers,
C G
In the smiles of newborn babes,
Dm-Fmaj7
In the waves of Cosmic Ocean.

In silent moments you will feel me by your side,
Em F
Wherever you are, you will find me.
C Dm
If you have loved me and you received my love,
Em F
To you I am bound forevermore. (*)

C Dm
No need to search for me; wherever you are,
Em F
There I am, in your heart of hearts.
C Dm
No need to search for me; wherever you are
Em F
Here I am, your very heartbeat. (*)

Baba's original text, Oct 11, 1990

*When the form is gone, I will be here in the winds, in
the sweet fragrance of the flowers,
In the twinkling light of stars,
In the murmuring sound of the rivulets,
In the smiles of the newborn babes,
In the waves of the Cosmic Ocean.*

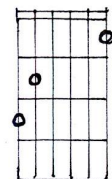

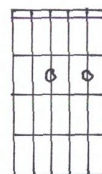

*And if you have loved me,
If you have trusted me,
You will feel me in a thousands and one ways.
Those who have loved me,
Those who have received my love,
To them I am committed.*

*In the silent moments of your being
You will suddenly feel my presence.
You will not need to seek and search for me.
Wherever you are, you will find me in your very heart,
in your very heartbeat.*
